

PHOTO AND VIDEO PERMISSION FORM
WEDNESDAY, OCTOBER 14, 2026
MERIDIAN HALL, 1 FRONT ST E, TORONTO

YOUR TEEN IS COMING TO RALLY.

Here's one quick thing we need from you.

Hi parents and guardians,

Your teen's class is coming to RALLY, Canada's digital wellness festival for high school students. It's a free, one-day event with speakers, music and hands-on activities about living well with technology. Permission to attend the trip itself comes from your school.

We take photos and video throughout the day so we can share what happened with schools, families and the community, and so we can bring RALLY to more students next year. Your teen may appear in some of them, and we want to make sure that's okay with you.

What this covers

Photos and video may be taken by our team and by news media attending the event. They may show your teen and may be used by RALLY and its partners on our website, on social media, in news coverage and in materials for schools and future events. We never attach students' names or contact details to images, and we never sell them. We may use them this year and in future years. If you change your mind later, email us and we'll stop using the images in anything new.

Please check one

- ☐ Yes, it's okay to photograph and film my teen at RALLY.
- ☐ Please don't photograph or film my teen.
They can still attend. They'll get a small no-photo marker at check-in so our team knows.

Student's name

Grade

School

Parent or guardian name

Date

Signature (sign by hand, or type your full name to sign electronically)

Students who are 18 or older can sign this form themselves. Please return the signed form to your teacher before the trip.

Questions? Email info@letsmeetoffline.org

We use this information only to manage photo and video permissions for RALLY 2026.
